Inheriting the good old days and connecting to the future

The entire area of our four banquet rooms on the 7th floor represents the world view of modern Osaka, a prosperous city where modern architecture is still rooted in the city.

Savor fascinating cuisine prepared by culinary masters.

As Osaka is often referred to as the "nation's kitchen", we offer a variety of menus to meet the needs of our guests, from buffets to full courses, using the best seasonal ingredients.
